

JACK LARKIN  
KENTUCKY STRAIGHT  
SINGLE BARREL-AGED 3 YEARS  
BOURBON WHISKEY

**“LARKIN PRODUCES CABERNET FRANC AT A LEVEL FEW CALIFORNIA WINERIES ARE ABLE TO ACHIEVE.”** ROBERT M. PARKER

Jack Larkin is the bold and expressive scion of the Larkin brand.  
Our latest release is Jack Larkin Kentucky Straight Bourbon Whiskey.  
This is Larkin's first foray into the spirits world.

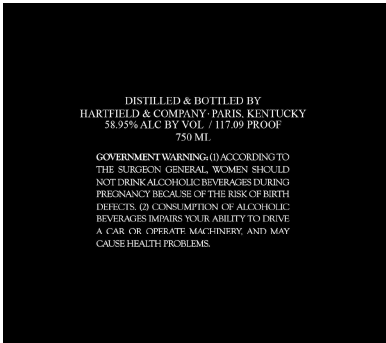

Jack Larkin Bourbon is deep amber in the glass with notes of sweet vanilla, smoke and leather emerging with a gentle swirl.  
The taste is marked by toasted oak, caramel and hints of clove leading to a lingering finish.

*To bring this small batch bourbon to the Jack Larkin family, I'm partnering with Hartfield & Company in Paris, Kentucky to select small batches of spirits that fit the bold yet elegant flair Jack Larkin customers have come to expect.*

*Located in Paris, Kentucky, they are the first distillery licensed in Bourbon County since Prohibition.*

*The goal is to recreate classic style, pre-prohibition bourbon in small batches sourced from only the best local ingredients*

*Cheers, Sean Larkin*
